

## Demolition

**Location:**

Kingwood, WV

**Owner:**

Kingwood Mining Company

**General Contractor:**

Brayman Construction Corporation

**Value:**

\$894,500

**Date Complete:**

November 2010

**Contact:**

Joe Swerbinsky  
304-568-2460

**Scope of Project:**

This project consists of a total demolition of a coal processing facility. Many components of the mine were salvaged and turned back over to the owner. A building on the jobsite was disassembled and relocated to the Brayman yard in Saxonburg. The building added an additional 10,000 sf of warehouse to the yard operations.
